2 We had a selection of books from all year groups. The group chose to look at geography skills. The group decided to work together and look at pupil books – we looked at each strand on the Geography skills progression and highlighted what we found evidence of in books. Also we spoke to each year group member to ask if they had carried out certain skills.	Write up findings.
3 Discussed how Energy Sparks has changed to Sigma now – so going forward we will be looking at that and how to use it within the school.	Log in to Sigma. Share Sigma with PVG. Set assignments.
