Minutes:

- As a group we read through our power point from last year. Some members wanted to add a slide in saying all the good things that you get to do in a PVG and why being part of a group is a good thing.

- The group chose parts of the PPT to read out loud during the presentation to the school and they rehearsed this.
- We talked about our Harvest festival last year and what we did. The group liked doing a reading of some kind, so would like to do that again this year. They are also thinking of adding in something extra, which they are going to have a think about over the next week.
