Dear Parents,

Our pupils have informed us on many occasions that the toilets in LPS are in need of a makeover! We agree with them!

We are going to be working in collaboration with an artist from Bright Ideas to redesign the toilet walls and make the rooms more aesthetically pleasing.

We would like the children to produce some designs, representing what Llangyfelach, Swansea, Wales and Wales within the World means to them. Our LPS Creative Crew will choose a number of winning designs, and the Bright Ideas team will recreate these as murals on our toilet walls. This will happen during Whitsun Half Term.

We are sending design sheets home with the children today and we would like the completed designs back by no later than **Monday 20th May**. As the redesign is taking place in half term, I'm sure you can appreciate that we need the children's designs back promptly so that the work can get started.

The children need to draw their designs in pencil. They can colour them in if they wish, however, we can't guarantee that the colours they choose will be the colours that will be used on the walls.

If you have any questions, please don't hesitate to come and see me!

Many thanks,

Miss Evans.
