<b>Minutes:</b>	<b>Actions</b>
<ol style="list-style-type: none"> <li>1. Miss Evans asked the crew what they have done since September. They have hosted an art competition and they have created a PowerPoint presentation.</li> <li>2. Miss Evans asked the crew what ideas they have for developing expressive arts in the school over the rest of the academic year.</li> </ol> <p>Vinny suggested an Easter art competition; maybe have Easter eggs and prizes.</p> <p>Olivia suggested a talent completion. Everyone thought this would be a great idea, but maybe less of a competition and more of a show. We could hold auditions in school and choose 3 children from each class to perform their talents in a show after school. We could sell tickets to raise money for the school and either the creative crew could design the tickets and programmes or we could run it as a competition.</p> <p>Phoenix suggested linking Expressive Arts with Children In Need. As CIN is not until next academic year, we will discuss this again in September.</p> <p>William suggested using school discos and fetes as venues to sell things we've made in order to raise money for the school.</p> <p>Sophie suggested we bring back class assemblies/plays so children are doing drama more regularly.</p> <p>Vinny and Phoenix suggested getting artists into school to work with the children.</p> <p>Logan suggested holding an after school art club. Mollie suggested a dance club.</p> <p>William told us about a graffiti artist who has been into school to work with the children previously and suggested asking him to come into school again.</p> <p>We started talking about the Banksy art work that is in Port Talbot. Do we have any ideas that could link with that? Going to discuss this at a later date.</p>
