My First Day At Nursery

Dear Parent / Guardian,

We have created this social story to support your child's transition into Nursery as we want it to go as smoothly as possible for you and your family. Share the story and images as much as you can before their first day with us so that they have a good understanding about what they can expect and what their surroundings will look like.

We look forward to welcoming you to Llangyfelach Primary, as your child starts their journey with us. If you have any questions, please contact us at any time.

At the start of the day, your teachers will be waiting to meet you at the door.

Nursery Staff

**Miss Gibbs
Nursery Lead**

**Mrs Lawrence
Teaching Assistant**

Wave bye bye, come on in for some fun today!

I will go to my classroom and hang up my coat and bag.

We'll sit together on the carpet.

There will be a lot of fun activities to do!

We will play outside with friends.

Our yard looks like this.

**We will sit together to eat
your healthy snack too!**

Our toilets are small, just for you!

**You can wash your hands
after too!**

Your family will be waiting to pick you up after a lovely time together.

We'll look forward to seeing you again soon.
