Dear Parents and Children,

I really want you to come and visit LPS Market on Monday 15<sup>th</sup> July at 3pm. I want you to see what we will be selling. I am sure that you will have loads of fun. These are my reasons why I want you to come to our Market.

Firstly, the children in Year 3 have worked extremely hard. They have created and made homemade things for people to buy. The items will be at incredibly reasonable prices. My friends and I will be delighted if we make a lot of sales in the LPS Market.

Secondly, me and my comrades have worked so hard to raise money for our beautiful, amazing school. We need more interesting books and art supplies. We are absolutely lucky to have enough Chromebooks and iPads for the classrooms, but we need to raise more money. Surely you want us to have new resources?

Finally, there is nothing else to do on a boring Monday so of course, come to our Market. If people don't support little businesses they won't happen anymore.

I hope you will come! Don't miss out! I look forward to meeting you at our LPS Market next week.

Khloe Chung
