Dear Parents and Children

I am writing this letter to persuade you all to visit LPS Market on Monday 15th July at 3pm. I know without a doubt that you are going to like it and here are my reasons why.

Firstly, I know you are going to have a wonderful time. It will be a great experience and you will be able to meet new people and make friends. It will be something completely different for you to try. My friends and I have worked very hard planning this market and making items for it.

Secondly, LPS Market will be spectacular because we have different varieties of items you can buy. We will be selling art, jewellery, loombands and much more! Everyone who comes to our Market can have fun buying lots of excellent treats, necklaces, loombands and much more.

Lastly, my friends and I have worked our socks off making wonderful recycled bookmarks out of old school uniform. We have also used other materials such as clay.

We are so excited to see you at LPS Market!
