Dear Parents and Children.

I am writing this letter to persuade you all to visit LPS Market on Monday 15<sup>th</sup> July at 3pm. Here are my reasons why.

Firstly, we will be raising lots of money for our school.

Secondly, we will be selling homemade recycled items, which are saving the environment.

Finally, Year 3 have worked very hard planning our market and making things for it. There will be lots of stalls including a health and wellbeing stall, a sweet treats stall, a key ring stall, loombands and jewellery stalls, a homemade bookmarks and bags stall, a cuddly toy stall and a used book stall.

See you at LPS Market.

Mari Popham.
