

*My Super*  
*Evaluation -*  
*Swenys-ey*

By William Fenn

# Introduction

*Our topic is Sweyns-ey and it was about the fierce Vikings in Swansea. We came up with the questions by going into small groups and thinking about questions we would like to know about the Vikings in Swansea. Did you know that Viking King Sweyn Forkbeard was shipwrecked in Swansea?*

## My Favorite Activity - Art

My favourite piece of work we have done about the Vikings is the Viking artwork. We did it for the Eisteddfod. It is my favourite piece of work because I liked the way I drew it. I worked in the Jelling style. There are 6 styles of Viking artwork, these are the Jelling style, Oseberg style, Borre style, Ringerike style, Urnes style and Mammen style

# Runes

I liked it when we learned about Viking Runes because I was learning how the Vikings wrote and communicated.

And I was having fun watching my friends try to solve my secret sentences in Runes. Also, I was trying to solve my friends sentences in Runes as well.

# Viking Inventions

I liked learning about Viking inventions because it showed us what the Vikings invented that we use today. I never knew that the Vikings invented hair combs. I developed my ICT skills by researching the inventions and my drawing skills by drawing the items.

# Anglo Saxons and Viking Timeline

I liked creating the timeline because it was fun and I learnt what order Viking history went in. It was also good because I saw what had happened all the way back in the Viking times.

# Question Matrix Activity

---

I enjoyed the Viking question matrix activity because we had the opportunity to research loads of interesting facts about the Vikings that we wanted to learn about.

# Next Steps

In our next topic, I would like to make my writing neater and make sure I do all my full stops and capital letters. This topic but I have got better at reading, maths and especially ICT. I have enjoyed this topic lots and I hope the next topic is as fun as this topic has been.
