

My Super Evaluation
Sweyns-ey

By Bethan

About Our Topic

- ▶ Our topic is Sweyns-ey. Our topic is about Vikings, and we wanted to know lots of facts about them, So we generated questions using the question matrix. Here are some questions
- ▶ Why did the Vikings invade the UK?
- ▶ What did the Vikings farm?
- ▶ What might a Viking home be like?

Longship Artwork

I drew a Longship in my topic book. I looked at pictures and got ideas for my longship. I did it by drawing it and colouring the picture. I learned what a Viking longship looked like, and I learned what the parts of a longship were. It was a bit fun because I like drawing and I like colouring!

Alfred the Great

I did work about Alfred the Great. He was an important Anglo-Saxon King. He thought education was important and I agree it is very important. I really liked it learning about him and his beliefs.

Viking Timeline

I did a Viking timeline. I learnt about the Anglo-Saxon's taking over until the Battle of Hastings. I put all the important dates into chronological order. I really liked it was fun.

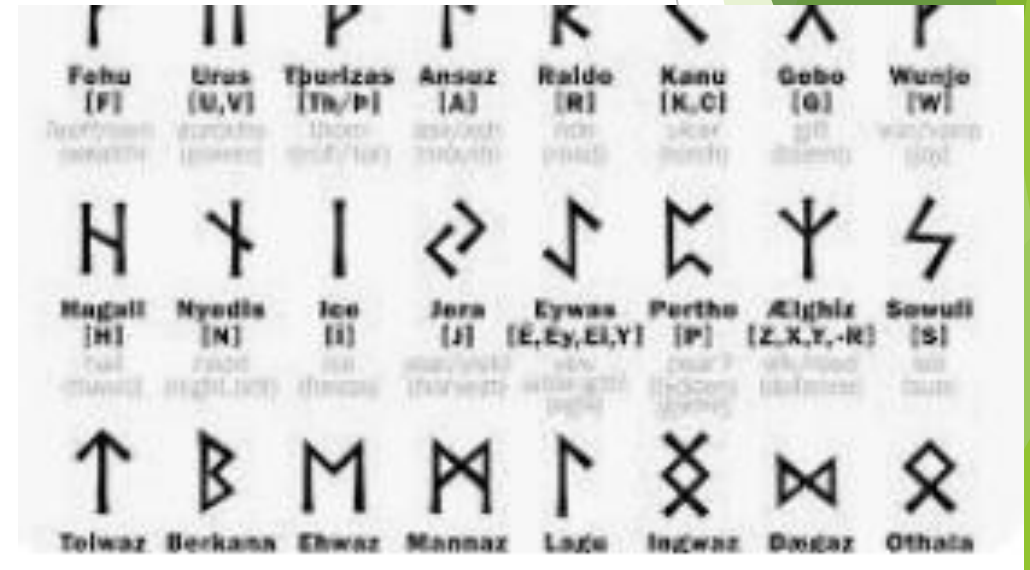

Viking iMovie

This was very fun I worked in a group with my friends. We drew pictures showing a day in the life of a Viking, Then when we all finished, we put it all into an iMovie and spoke over it. It was not too bad, but it took a really long time to make the iMovie.

Runes

We learnt about Viking Runes. Runes are what Vikings used to communicate. We created messages for our friends to solve in Runes. It was really easy and fun. I did really short ones, so they weren't too hard to solve! I really liked it this activity!

Next Steps

I loved this topic. I definitely learnt to do better handwriting and spelling. It was very fun. I think I will try hard to improve maths on the next topic because I need to learn much more maths.
