

Capel Celyn

By Hunter and Jack

What was Capel Celyn?

Capel celyn was a village at wales but for some reason the government wanted to drown it. So basically, there was a village called Capel Celyn and it has schools and other places and one day the government wanted to drown it and turn it into a reservoir .

What was life like before the flood?

Capel Celyn was rich in people and houses and other places until the government flooded it and then everyone's houses were destroyed. They wanted to create a reservoir for fresh water.

What happened to the village?

- When the valley was flooded in 1965 the village and its buildings including the post office, the school, and a chapel with cemetery were lost. Twelve Houses and farms were submeraged, and 48 people of the 67 who lived in the valley lost their homes

What is a reservoir?

- A reservoir is a artificial lake that is used to store water, most reservoirs are formed by constructing dams across rivers. A reservoir can also be formed from a natural lake.
