Nursery Enterprise Project: LPS Flower Show

Enterprise Project Overview:

During your final project you will have the opportunity to develop the skills and attitudes that are associated with becoming a great entrepreneur! Could you become be the next Elon Musk or Beyoncé Knowles? Use and apply your LPS Personal Learning Journey skills that you have developed over the year to become successful in your enterprise project.

Reception class need your help to create a great Flower Stall for our Summer Fete. What will you need? What will you grow? Who will look after them? There's lots to do to prepare for the best Flower Stall at LPS! To support Reception Class, can you nurture plants and flowers while working as a team to provide a wonderful crop to sell? Good luck!

This project will provide you with a better understanding of enterprise; how to come up with a business idea, develop a business plan and present ideas to a group, and will provide a fun and memorable experience that benefits you for years to come. We are about to exercise our ideas, creativity and business muscle.

Enterprise Learning Opportunities
