Minutes:

- As a group we read through our power point from last year. Some members wanted to add a slide in saying all the good things that you get to do in a PVG and why being part of a group is a good thing. There were a few things that the children wanted to edit on some of the slides. Blake (Y5) made notes. Dottie & Blake are going to edit the PPT and bring to our next meeting.
- We talked about what Welsh games/activities are currently used/played on the playground. The children were given a job to ask their classes for further ideas on what we could do in the playground.
