In order to support parents and carers of children and young people who are presenting with difficulties including the development of their social communication and interaction skills, the Additional Learning Needs Inclusion Team are holding 'Time to Talk' sessions across the county.

Date	Time	Venue
19/11/24	09.00-14.30	St Mary's and Holy Trinity Hub Church St Mary's Square, Swansea SA1 3LP
21/11/24	09.00-14.30	St David's Church Woodfield Street, Morriston SA6 8AS
26/11/24	09.00-14.30	Townhill Community Centre Powys Avenue, Townhill SA1 6PH
29/11/24	09.00-14.30	Sketty Community Church Carnglas Road, Sketty SA2 9BP

These sessions will provide an opportunity for parents/carers to meet with representatives from the Additional Learning Needs Inclusion Team, with a view to building parent partnership, and to enable discussion of any issues they may be experiencing.

We would welcome all parents/carers who would like to access support. By working together with parents/carers, we will be able to think about how best to support the family. It is important to be aware that the child or young person would not have to have a diagnosis of ASD/ADHD or be on the Neurodevelopmental Referral pathway in order for parents/carers to attend.

Please see flyers attached for you to share/ circulate to your parents. It would be helpful if the flyer could be displayed in the entrance hall of your school, on the school website and circulated to all parents via your usual communication methods.

Come and have a chat with us!

It is essential that parents contact the email address on the attached flyers in order to book an appointment at the 'Time to Talk' session
